## Accelerate with No Speed Traps

How do you use the web? Whether it's just you on your PC or your extended family simultaneously accessing the Internet for gaming, movie watching, surfing, or music, we have the speed for you — with no hidden fees, service charges, or other traps. **Marlin Internet** provides a broad variety of access plans at affordable prices with our exclusive ITIS 2.0 technology. We provide more than fast access. Take advantage of our 24/7 customer support (personal help is *always* on the line), free security tools, email accounts for the whole family, and exclusive online content.

The page body has many elements nested within it, including the <header> the <article>, the <table> and the <footer> in that order.

The footer is a parent to <nav> which is within an un-ordered list in 3 columns.

## Summary and Feedback

**Course#: 103**

**Section: CVs1**

**Assn#: 7**

**Student Name: Mike Kirk**

**It took me 4 hour(s) to complete the assignment. I have learned and feel good about 80 % of the skills covered in the Chapter. From the assignment work I learnt the following:**

Linear gradients, and controlling a table with CSS, instead of all HTML

**The difficulties I encountered with this assignment:**

Background colors

**The sections / topics that I would like to review further:**

Tables in CSS
